QUEENS PARK SOCCER CLUB SPONSORSHIP PACKAGE

QUEENS PARK SOCCER CLUB

The Queens Park Soccer Club is one of Western Australia's Pioneer clubs. It was founded in 1909 and has continued to be an important part of soccer in the state ever since. Queens Park is home to several teams; including men, women and juniors. We are proud to provide the facilities which allow everyone the opportunity to get involved in the world game.

Ongoing support from sponsors helps us to grow as a club, improve our facilities and purchase important equipment. We also strive to keep fees as low as possible so that everyone can afford to play soccer!

2008 SEASON REVIEW

We achieved a lot as a club last year:

Stacey, Maya and Dani all played for the Perth Glory Women's side.

The lads did us proud in the 2008 Phuket Tour

David and Beryl worked tirelessly during another year in charge

We got our club website up and running thanks to BGC Australia

Premier Ladies won the league and made it into the cup grand final.

The lights were finally repaired

The premier lads had a hard fought season which resulted in much improvement for the young side

We are looking forward to much more excitement in 2009!
